

HOW TO LOGIN TO MEDSIS ON MY DESKTOP

TARGET AUDIENCE: ALL USERS

Updated June 25, 2019

LOGGING INTO MEDSIS

To access MedSIS, please go to <https://medsis.mcmaster.ca>

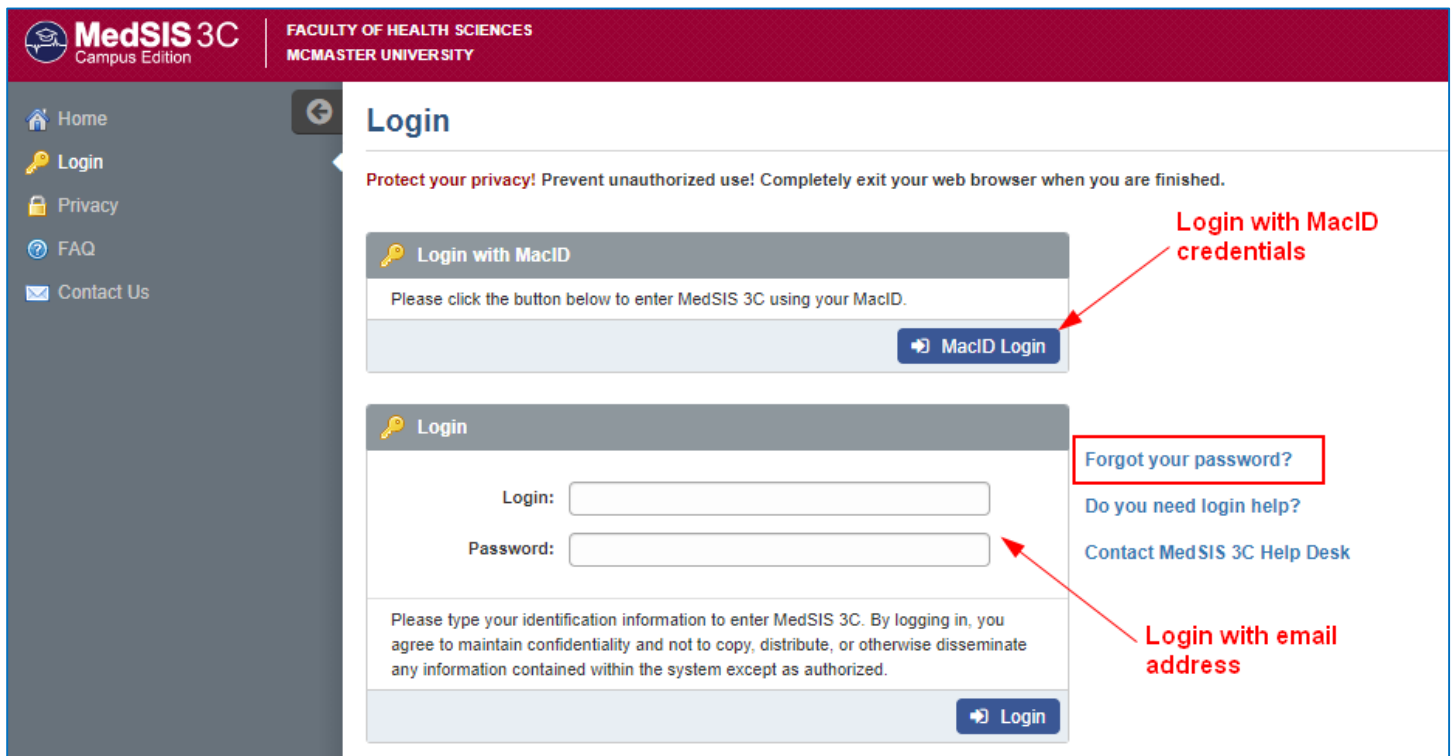

There are two options for logging into MedSIS:

Option 1: Login with MacID (if you do not have a MacID, please skip to Option 2)

1. Click on the MacID Login button near the top of the screen.
2. Use your MacID credentials to login.

Option 2: Login (using email)

1. Click on the “Forgot Your Password” link and submit your email address.
2. You will receive an email from medsis@mcmaster.ca with a link to change your password.
3. Once you create a new password and submit, you will be logged into MedSIS.

The screenshot shows the MedSIS 3C Campus Edition login page for the Faculty of Health Sciences at McMaster University. The page has a dark red header with the MedSIS 3C logo and navigation links. The main content area is white and contains two login options. The first option is 'Login with MacID', which includes a button labeled 'MacID Login'. A red arrow points to this button with the text 'Login with MacID credentials'. The second option is 'Login', which includes input fields for 'Login:' and 'Password:', and a 'Login' button. A red arrow points to the 'Login' button with the text 'Login with email address'. To the right of the 'Login' form, there are three links: 'Forgot your password?' (highlighted with a red box), 'Do you need login help?', and 'Contact MedSIS 3C Help Desk'. A red arrow points from the 'Login with email address' text to the 'Forgot your password?' link.

NOTE: Supervisors are not required to login to MedSIS to complete evaluations. You can simply click the link that is included in the email notification your will receive when you have pending evaluations.

QUESTIONS?

If you have any questions or difficulties with this process, please contact MedSIS at medsis@mcmaster.ca
