

How to View Trainee Progress – CBME Dashboard High Level Overview

Target Audience: Program Directors, Program Administrators, Trainees,
Academic Coaches, Competence Committee Members

Updated *December 11, 2020*

ROYAL COLLEGE COMPETENCY BASED MEDICAL EDUCATION MODULE

This document outlines how to navigate the Royal College CBME module and will focus on how to view trainee progress using various tabs available such as the EPA Dashboard and Portfolio Review Dashboard.

SUMMARY OF TABS

Entrustable Professional Activities (EPA)	The EPA dashboard is populated by the completion of CBME/EPA forms. When CBME forms are completed, they will be displayed in the EPA dashboard under the appropriate Stage/EPA.
Supporting Documentation	Files can be uploaded here by PDs, PAs, trainees, academic coaches, and competence committee members.
Reflection Documentation	Files can be uploaded here by trainees.
Assessments	All assessments for the trainee are displayed here along with their completion status (pending, complete, etc). This includes ITARS, WBAs, CBME Forms.
Program Evaluations	Displays trainee completion status of required program evaluations (faculty, rotation, presenter, and event evaluations).
Events	Displays overall event attendance and a breakdown of all academic sessions the trainee has been registered for in the Event Manager.
Activities (Procedures)	Displays activities/procedures that have been logged by the trainee.
Summary Report	Allows PAs, PDs, academic coaches and competence committee members to generate a Learner Summary Report which includes all assessment data on the trainee for the date range specified.
Review Dashboard	Facilitates the competence committee reviews and all applicable documentation relevant to reviews will be in this dashboard.

EPA DASHBOARD

See user guides and videos on 'How to View Trainee Progress – EPA Dashboard Breakdown' for more detailed information on how to navigate the EPA dashboard.

The screenshot shows the EPA Dashboard interface with the following data:

EPA	Program Assessment	Individual Assessment	# of Forms	Level of Supervision/Entrustment	Status	Actions	Comments
Stage 1 - Transition to Discipline	90%				Approved	Mark as In Progress	
EPA 1. PSYCHIATRIC HISTORY	100%		2	0 0 0 0 2	Ready for Review	Mark as In Progress	+ Add note
Collect 2 observations of achievement	100%						
At least 1 by a psychiatrist	100%						
At least 2 different case types	100%						
EPA 2. COMMUNICATING ENCOUNTERS	80%		2	0 0 0 0 2	In Progress	Mark as Achieved	+ Add note
Collect 2 observations of achievement	100%						
At least 1 by a psychiatrist	100%						
At least 1 verbal presentation	100%						
At least 1 history	0%						
At least 1 written/electronic documentation	100%						

Red arrows in the screenshot point to the 'Stage' label for Stage 1, the 'EPA' label for EPA 1, and the 'Requirement' label for the achievement requirements. A note indicates that double-clicking on the '0 0 0 0 2' status indicator for EPA 2 will view completed forms.
