

# HOW TO - VIEW YOUR ROTATION SCHEDULE

**TARGET AUDIENCE: LEARNERS**

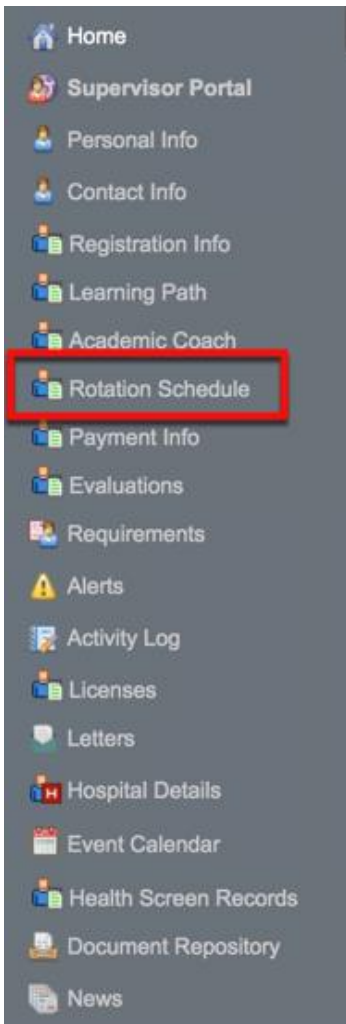

---

Updated March 19, 2020

## ROTATION SCHEDULE

Rotation schedules are entered by the Program Administrator at the beginning of the academic year. Your schedule is subject to change, so it is important to check it often.

To view your rotation schedule click on “Rotation Schedule” on the left hand side of the screen:

The Rotation Schedule will include the name of the rotation, rotation type, program, location, format, level, start date, end date, and the supervisors scheduled.

Rotations										Session: 2019 - 2020
Search: <input type="text"/>										
Rotation	Rotation Type	Rotation Program	Location	Format	Training Level	Block	Start Date	End Date	Supervisors
